## ABUNDANT IDEAS with MARGARET KEANE

### BIOGRAPHY - MARGARET KEANE

We are very excited to welcome Margaret Keane back to CCPS to complete our 2018 Educational Workshops series. Margaret ran a very successful pottery in the 1970s to 1990s, along with Roger Keane. Together they founded Keane Ceramics at Somersby. Margaret was a well-recognised teacher, introducing many on the Central Coast to clay.

Margaret has a terrific program for the experienced thrower. The focus of Margaret's workshop will be production pottery - throwing for speed and efficiency, with some fun group challenges to demonstrate your new skills. As you build your skills over the two days, Margaret has an activity to end the Sunday - a Central Coast Potters Society Throw Down!

Learn more about Keane Ceramics [here](#).
